

**Curriculum Vitae  
JIMI ANG**

**BE (Aeronautical) Diploma (Telecommunications)**

<b>Position</b>	Project Engineer, Wilkinson Murray
<b>Qualifications &amp; Affiliations</b>	<ul style="list-style-type: none"><li>• BE in Aeronautical Engineering</li><li>• Diploma in Telecommunications Engineering</li><li>• Graduate Member Institute of Engineers Australia</li><li>• Graduate Member Australian Acoustical Society</li></ul>
<b>Special Expertise</b>	<ul style="list-style-type: none"><li>• Noise Monitoring / Survey Measurements</li><li>• BarnOwl directional noise monitoring</li><li>• Vibration Measurements</li><li>• Environmental Noise Assessment</li><li>• Industrial Noise Assessment</li><li>• Environmental Noise Modelling (ENM &amp; CadnaA)</li><li>• Architectural Acoustics Modelling (Bose Modeller)</li><li>• Building Acoustics</li></ul>
<b>Employment History</b>	
March 2005 – July 2007	Technical Officer, Wilkinson Murray
July 2007 – Present	Project Engineer, Wilkinson Murray

## PROJECT EXPERIENCE

### COMPLIANCE NOISE MONITORING/ SURVEY MEASUREMENTS

- Cross City Tunnel
- Epping to Chatswood Rail Line
- Lane Cove Tunnel
- Dendrobium Coal, Pit Top and Coal Loader
- Cadia Valley Operation

### VIBRATION MEASUREMENTS

- British American Tobacco Company
- Lingyan Mountain Temple
- Garvan Institute of Medical Research
- Caltex Service Stations Rehabilitation Program

### ENVIRONMENTAL NOISE ASSESSMENT

- Cadia Valley Operation
- Dendrobium Coal
- Tom Uglys Bridge Marina
- Calga Sand Quarry
- Northern Hume Alliance Hume Highway Duplication
- Sydney Water Sewerage Fix Alliance PSP project
- Water Infrastructure Group Gore Creek Reserve Rehabilitation Project

### ENVIRONMENTAL NOISE MODELLING

- Dendrobium Coal
- Hexham Galvanizer Facility Upgrade
- White Bay Passenger Terminal

### ENERGY SECTOR

- Munmorah Gas Turbine Facility
- Big Hill Gas Turbine (*URS*)
- Leafs Gully Gas Turbine (*URS*)

### TRANSPORT NOISE ASSESSMENTS

- Northern Hume Alliance (Leighton Contractors)
- M5 – Noise Barrier Design (RTA)

### BOSE MODELLER

- Sky Italia Building, Milan
